### 378 West End Avenue

378 West End Avenue is a new condominium on Manhattan's Upper West Side designed by COOKFOX Architects, which includes the restoration of an existing, original 1915 Palazzo-style building overlooking the historic Collegiate Church combined with a newly constructed 18-story tower.

378 West End Avenue features over 11,000 square feet of amenities. A cozy Reading Room filled with stacks of books to choose from is connected to the Garden Terrace, creating a seamless indoor-outdoor sanctuary.
